

Epic

digital designer needed

As a Digital Designer with Epic, you will work within a dynamic team, helping to bring an Art Director's conceptual artwork to life. Experience in and an understanding of the digital medium will mean that you have a strong knowledge of working in Flash and of optimisation for HTML. Most of all, you know how to successfully modify a variety of digital material and create dynamic animations.

You will have an eye for detail, be able to handle working in a fast paced environment and be committed to delivering your best to each and every project. A knowledge of Actionscript, motion graphics and/or 3D would be a bonus.

we need people with:

- A professional, dynamic and positive attitude
- Creativity and innovation
- A keen eye for quality and exceptional attention to detail
- The ability to multi-task and manage their time effectively
- The skills to create digital work of the highest standards

You must be proficient in :

Adobe Photoshop CS2+
Adobe Illustrator CS2+
Adobe Flash CS4

Additional knowledge of the following would be advantageous:

Actionscript 2/3
Motion Graphics
3D
