

Epic

# Lead Designer needed

Do you want to be part of a large dynamic and enthusiastic design team?

Epic has been designing award-winning bespoke learning solutions for over 20 years. Our increasing workload means we urgently need a talented lead designer to work at our head office in the heart of Brighton.

The lead designer's main purpose will be to design learning content that meets the design specifications and the client's needs, within tight deadlines.

## we need people with

- At least five years working within a learning environment
- At least two years working as a learning/instructional designer
- Proven ability in creating innovative design solutions
- Experience in the production of technology based training
- Experience of leading a team of instructional designers
- Experience in Training Needs Analysis
- Understanding of skills, tools and processes used in delivery of on-line materials
- Extensive understanding of learning design, training principles and how people learn
- Knowledge and understanding of the advances in e-learning design
- The ability to communicate orally and in writing in a clear, concise and effective manner

## like to join us?

If you have the above skills and want to work in a fast-paced, creative environment then please send us your CV.

Epic, 52 Old Steine, Brighton, East Sussex, BN1 1NH
