

Epic

project directors needed

Epic has been designing award-winning bespoke learning solutions for over 20 years. Our increasing workload means we urgently need Project Directors to work at our Brighton Head Office.

The main role for Project Directors is to take ownership, control and responsibility of projects to ensure they are delivered to client satisfaction, are fit for purpose, on schedule and to budget, whilst maintaining quality control and margins at all times.

we need people with:

- Experience of managing production projects
- Experience of working in a team
- Experience of dealing with clients
- Experience of managing internal and external personnel and resources within a project.
- Experience in managing budgets and fiscal arrangements
- Experience in the production and delivery of technology-based-training or web applications

The following would also be desirable:

- Experience of motivating and communicating with individuals or groups
- Experience in coaching team members

like to join us?

If you have the above skills and want to work in a fast-paced, creative environment then please send us your CV.
